FEEDBACK FROM ALUMNI 2021-2022

The Internal Quality Assurance Cell (IQAC) ABN Seal College, Cooch Behar

Report of the Co-ordinator

1. Introduction

The Internal Quality Assurance Cell (IQAC), ABN Seal College collects feedback from its different stakeholders from time to time. Feedback has also been taken from the alumni in the session 2021 – 2022. This feedback was intended to figure-out the opinion of the alumni regarding the syllabus.

2. Mechanism

The feedback was taken on the questionnaire prepared by the IQAC and the responses were sought in a scale of 1 to 5, where 1 means strongly disagree and 5 means strongly agree. Additionally the respondents were also asked to put suggestions on the syllabi if they have any. Respondents were asked not to mention their identity, in order to ensure the unbiased opinion from the respondents.

3. Response:

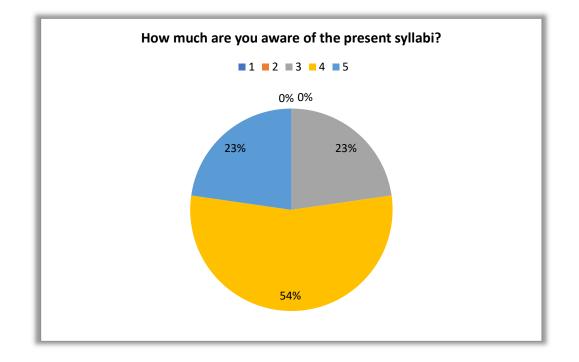

The numbers of responses against each point in a five point scale were found to be as follows:

	1	2	3	4	5
How much are you aware of the present syllabi?	0	0	5	12	5
How much do you think that the present syllabus is capable of enriching the subject					
specific knowledge of the students?	1	3	7	10	1
How much do you think that the present syllabus is job-oriented?	1	2	12	5	2

4. Analysis:

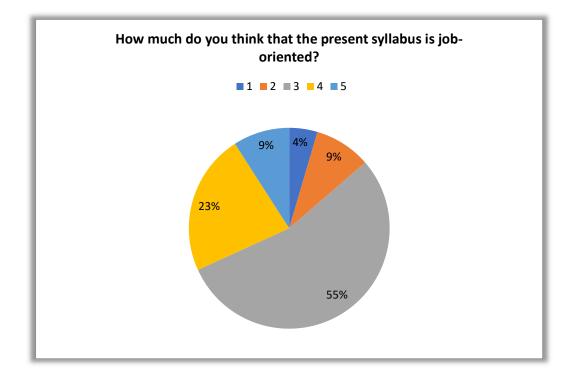

From the numbers of responses, the percentage of responses against each point in a five point scale was calculated and corresponding pie charts were generated for the ease of analysis.

5. Conclusion

From the responses it was clear that nearly 77% (5: 23%; 4: 54%) of the respondents strongly agree that they are aware of the present syllabi and nearly 50% think that the syllabi are capable of imparting subject specific knowledge of the students, whereas 32% remain neutral. Dissatisfaction of the alumni up to a considerable extent (5: 9% & 4:23%) have been observed in one question, where the respondents did not agree much about the fact that the syllabi were job oriented. This is a major observation in the present context that the syllabus is expected to be updated towards more job-oriented curriculum to make the pupil competent to the challenging avenue of professional placement.
