**Add-On Course Title:** *Sanskritavyakaranasya Vyavaharikakaushalam*  
(संस्कृतव्याकरणस्य व्यवहारिककौशलम्)

**Course Outcome:**

The main objective of add-on course is to enhance and develop the skill and job potentialities of the students along with their regular course of degree programme. Remembering the key objective, the Add-On Course in Sanskrit titled as ‘*Sanskritavyakaranasya Vyavaharikakaushalam*’ is designed. Sanskrit grammar is the only way to learn the language and literature profoundly. Hence, the course is designed to enhance the strength and depth in this field and to ease the grammatical application alongside the regular course. As the regular course focuses on the theoretical knowledge of grammar, the Add-on course is designed to empower the students with its multiple application methods. Focusing on the easy methods and techniques of grammatical applications it would help the students to enhance their vocabulary power, skill of word and sentence construction, skill of writing and communication. The students will be able to learn the skills needed for conversation.

Therefore, the course would help to grasp the practical skills to express their thoughts and expressions confidently. The final objective of this course is to make the students more competent and confident for the fields of their future career.
