Report on the Implementation of IQAC Suggestions and Actions

(Academic season 2018-19)

The IQAC plays a pivotal role in ensuring and improving the quality of education and the overall functioning of an institution. Below are the actions undertaken by the IQAC, throughout the year in the enhancement of the quality of the college scenario.

- ❖ As per resolutions taken, participation in the National Institutional Ranking Framework (NIRF) have been diligently undertaken and specific teachers have been entrusted with the duty of taking appropriate steps in this regard. The culmination of these efforts resulted in the successful submission of the NIRF application.
- ❖ The IQAC team has successfully completed the preparation of an Academic Calendar for the academic session (2018-2019). The well-structured calendar serves as a roadmap for faculty, students and administrators, facilitating a smooth and organized learning environment.
- ❖ Student feedbacks are collected by the IQAC, that involves various aspects of their educational experience in the institute, viz., teaching methods, course content, facilities, and overall satisfaction. The collected feedback undergoes a thorough analysis, identifying common themes, patterns, and areas that require attention. This institution is committed to take action based on the feedback received, implementing changes and improvements to address the identified concerns and enhance the overall student experience. Consequently, the institution is optimistic about achieving favourable outcomes in both academic excellence and holistic student development.
- ❖ Teachers are constantly advised to get themselves engaged in faculty development initiatives and training sessions, including Refresher Courses, Orientation Programmes, FDP, and other professional development and administrative training programs.

Guided by the suggestions, recommendations, and initiatives of the Internal Quality Assurance Cell (IQAC), the institution has undertaken the laudable actions directed towards an optimistic development of the academic spectrum.

- ❖ Initiatives are taken by the College to conduct an Internal Academic Audit in the college. This process involves a comprehensive review of academic protocols, curriculum effectiveness and instructional methodologies. The primary objective is to identify areas of improvement and ensure alignment with established academic standards.
- ❖ In order to cater to the requirement of the students of the region College attempted to get approval from the competent authority to start UG Honours and Programme courses in Education, subsequently approval was obtained and the Honours and Programme courses in Education are started from this academic year 2018-19.
- ❖ Recognizing the pivotal role of mentorship in academic and personal development, the mentor-mentee committee has initiated efforts to enhance the mentoring process. This includes the development of a more structured and systematic approach to mentorship.
