Report on the Implementation of IQAC Suggestions and Actions

(Academic season 2019-20)

The IQAC plays a fundamental role in confirming and cultivating the quality of education and the overall functioning of an institution. Below are the actions undertaken by the IQAC, vibrantly throughout the year in the augmentation of the quality of the college setting.

- ❖ The task of expediting the website updating process has been delegated to the Computer and Website Monitoring Cell, emphasizing their role in ensuring a more efficient and timelier update of the website.
- ❖ Throughout the challenging period of the pandemic, the educational community exhibited unwavering dedication to ensure a seamless learning experience for students. This commitment was particularly evident in the continuous efforts by the faculty members to maintain the momentum of uploading study materials in the college website. During the pandemic, the institution prioritized the continuity of education by consistently providing relevant and valuable learning materials on its website. The materials uploaded on the college website consisted of a diverse range of resources, including lecture notes, presentations, e-books, video tutorials, and other instructional content. This variety aimed to cater to different learning preferences and ensured that students had access to a comprehensive repository of knowledge. Further, in tandem with the shift to virtual learning, the study materials were curated and designed to align with the demands of online education. This involved optimizing content for digital platforms, incorporating multimedia elements and utilizing interactive formats to enhance engagement and understanding.
- ❖ The impetus for collaborative research initiatives among teachers engaged in various institutions of national and international levels is driven by the desire for knowledge exchange, access to diverse resources, interdisciplinary perspectives, the need to address global challenges, and enhancement of publication opportunities. This collaborative approach reflects a dynamic and forward-thinking culture within the academic community, promoting excellence and innovation in research and education.
- ❖ Initiatives have been undertaken for green audit. A green audit, also referred to as an environmental audit, entails assessing and evaluating an organization's commitment to foster a healthy

environment. The objective is to identify areas for improvement and implement eco-friendly practices.

- ❖ Sanitization of the college and hostels has been conducted regularly and effectively. This is a crucial step in ensuring the safety and well-being of students and staff of the college particularly in the context of the covid-19 pandemic. It reflects a proactive approach in order to create a healthy environment for everyone within the campus.
- ❖ Teachers are constantly stimulated to get themselves engaged in faculty development initiatives and training sessions, including Refresher Courses, Orientation Programmes, FDP, and other professional development and administrative training programs.
- ❖ The IQAC settled CAS files of incumbents with detailed scrutiny and helped faculties to get promoted at different Stages under Career advancement Scheme.

Under considered suggestions, recommendations provided by the IQAC, initiatives are undertaken by the institutions in the form of the laudable actions directed towards an optimistic development of the academic spectrum.

- ❖ The institution has actively organized a series of seminars and memorial lectures, marking a concerted effort to foster intellectual engagement and commemorate significant events or individuals. These initiatives reflect the institution's commitment to create a vibrant academic environment that goes beyond the routine curriculum delivery. Webinars are consistently organized as a part of the practice. This serves as a commendable strategy to sustain academic and cultural activities, particularly during the challenges posed by the covid-19 pandemic.
- ❖ In tune with the utmost necessity of recent times, the institution orchestrated a seminar focused on Intellectual Property Rights (IPR) on 14.01.2020 demonstrating a keen awareness of the importance of legal and ethical considerations in the realm of intellectual property. This specialized event aimed to provide a comprehensive platform for the exchange of knowledge, insights, and discussions surrounding various aspects of IPR catering to the diverse audience within the academic community.
