Report on the Implementation of IQAC Suggestions and Actions

(Academic season 2021-22)

The IQAC plays a pivotal role in ensuring and improving the quality of education and the overall functioning of an institution. Below are the actions undertaken throughout the year.

- ❖ The Internal Quality Assurance Cell (IQAC) effectively coordinated a two-day online workshop on Outcome-Based Education (OBE) held on the 14th and 15th of July 2021. The webinar garnered significant success, demonstrating the effectiveness of the initiative. Participants engaged in meaningful discussions, presentations and interactive sessions during the workshop, contributing to a comprehensive understanding of Outcome-Based Education principles. The success of the event reflects the dedication and proficiency of the IQAC in orchestrating impactful professional development opportunities for the academic community.
- ❖ A system developer was engaged for the development of an online platform for the systematic mapping of PO and CO. Departments are encouraged for evaluation of the attainment of students in respect of Course outcome and Programme outcome and seeks reports in this respect for future course of action.
- ❖ Initiatives are taken for the introduction of the Learning Management System (LMS) for effective communication in teaching-learning process.
- ❖ Efforts are taken to introduce Students' profile mapping so that the College authority gets an idea of the socio-economic status of the students and take appropriate measures accordingly.
- ❖ In order to help economically weaker students for participation in uninterrupted online classes the college authority in consultation with IQAC and different HODs took the financial responsibility for recharging their internet plan.
- ❖ The establishment of an incubation centre for an innovative ecosystem within the College marked a significant milestone in fostering entrepreneurship, creativity and technological progress among its students. The process involved careful planning, collaboration, and the deployment of resources to create an environment conducive to the growth of innovative ideas and startups.
- ❖ Following the resolution adopted during the pandemic, the College undertook initiatives to resume offline classes. Accordingly, as per recommendations from IQAC, thorough cleaning and sanitization drives are made adhering to COVID-19 protocols and government-issued directives.
- ❖ The Department of Economics at A.B.N. Seal College, in collaboration with the Rajib Gandhi National Institute of Intellectual Property Management (RGNIIIM), Government of India, orchestrated a one-day national-level workshop named 'Intellectual Property Rights: Patents and Design Processes' on December 3, 2021. This workshop was held in online mode via Zoom platform. Students and faculty members of

Economics, faculty members and students of other departments of this college, faculty members, students and research scholars of other institutes attended the workshop.

- ❖ The IQAC settled CAS files of incumbents with detailed scrutiny and helped faculties to get promoted at different Stages under Career advancement Scheme.
- ❖ In accordance with the recommendations provided by the Internal Quality Assurance Cell (IQAC), skill enhancement courses and add-on courses are introduced. The purpose of introducing these courses is to broaden the scope of education beyond the traditional academic subjects and provide students with additional skills and knowledge that are relevant to their personal and professional development. Moreover, the incorporation of such courses aligns with the evolving needs of the job market, ensuring that graduates are equipped with a diverse skill set that enhances their competitiveness in the professional world.
- ❖ Teachers are urged to engage in faculty development initiatives and training sessions, including RC, OP, FDP, and other professional development and administrative training programs.
