PART - B: REPORT ON THE ACTION TAKEN THROUGHOUT THE ACADEMIC YEAR

The IQAC plays a pivotal role in ensuring and improving the quality of education and the overall functioning of an institution. Below are the actions undertaken throughout the year, guided by the suggestions, recommendations and initiatives of the Internal Quality Assurance Cell (IQAC).

- ❖ The Internal Quality Assurance Cell (IQAC) at Acharya Brojendra Nath Seal College organized a seminar entitled "Paribesh Sankat: Ei Samay" on June 17, 2023, to commemorate World Environment Day. The event brought together students and faculty members from various disciplines who convened at the designated venue for the occasion.
- ❖ Teachers are urged to engage in faculty development programmes and training sessions, including RC, OP, FDP and other professional and administrative training programme.
- ❖ In accordance with the resolution taken during the IQAC meeting on September 15, 2022, the entire college is diligently dedicating their efforts to ensure the timely uploading of the SSR for the 3rd Cycle of NAAC visit by October-November 2023. This concerted effort underscores commitment of the entire college in meeting accreditation requirements and maintaining the college's standards of excellence.
- ❖ As an integral component of the NAAC (National Assessment and Accreditation Council) accreditation process, the college has successfully submitted the pending Annual Quality Assurance Reports (AQARs). Simultaneously, the comprehensive process of data collection and analysis is currently underway for the

preparation of the AQAR for the academic year 2022-23. This involves a meticulous examination of various parameters, including academic, co-curricular, extracurricular activities, faculty development programmes, infrastructure improvements and other relevant issues.

- ❖ In response to a long-standing recommendation from the IQAC, significant modifications have been made to the existing website of the college. Furthermore, the institution is on the verge of launching a completely new website. The preparation for this new website is currently in its final stages. This new website is expected to incorporate modern design elements, improved navigation and updated content to provide a more engaging and informative experience for its users.
- ❖ As per the recommendation of IQAC renovation work of the Girls' hostel and renovation of the Centenary Building have been completed. Works of renovation of the common Rooms are also under progress.

Under measured propositions and recommendations provided by the IQAC, initiatives are undertaken by the institutions in the form of the laudable actions directed towards an optimistic development of the academic spectrum.

- ❖ Memorial lectures organized by departments at the departmental level are a valuable tradition in our institution. They serve as a means of paying tribute to influential figures, fostering intellectual exchange, and strengthening the sense of community within the department. Through these lectures, academic institutions not only honour the past but also contribute to the ongoing development and progress of their respective fields.
- Against this backdrop, the Department of Economics at A.B.N. Seal College conducted a one-day webinar titled "Managing Innovations and Sustainability Transitions: Is IPR Alone Sufficient?" on May 11, 2023. The event was hosted online via the Google Meet platform. Participants included students and faculty members from the Economics department, as well as faculty members and students from other departments within the college. Additionally, faculty members, students, and research scholars from other institutes also attended the webinar.
