DEPARTMENT: PHYSICS

Report of Mentor Mentee for 2022-2023

- **Name of Mentor:** *Dr. Abubakkar Siddik*
- **Number of Mentees Allotted:** 23
- **Major Points that you have Analyzed :**
 - Students expressed their lack of understanding and fear for various competitive examinations such as IIT-JAM, JEST etc.
 - Provision of previous year question paper
 - Cleanliness of CC-10 laboratory.
- **Possible Solutions that you have proposed :**
 - Discussed about various competitive examinations and some materials regarding this were supplied.
 - Students were supplied previous year question paper
 - The issue has been resolved by taking an action on it.

- **Name of Mentor:** *Chayan Saha*
- **Number of Mentees Allotted:** 53
- **Major Points that you have Analysed :**
 - Cleanliness of CC-8 laboratory.
 - Students have posed several queries about admission related problems in the semester.
 - Students have asked us several queries about their upcoming future.
- **Possible Solutions that you have proposed :**
 - CC-8 laboratory was cleaned and well decorated.
 - Students were redirected properly about their admission related problems
 - Students were given proper direction about the possible avenues after the graduation.

- **Name of Mentor:** *Suchismita Maiti*
- **Number of Mentees Allotted:** 13
- **Major Points that you have Analysed :**
 - Students have expressed their concern about Toilet.
 - Students have posed several queries about admission related problems in the semester.
 - Students have shared with me their personal problems.
- **Possible Solutions that you have proposed :**
 - The first point has been placed to the authority.
 - Students were redirected properly about their admission related problems as I was convener of admission committee.
 - I was taken this point with uttermost care.

Name of Mentor: *Dr. Sankar Mandal*

Number of Mentees Allotted: 14

Major Points that you have Analysed :

- Students have expressed their concern about Drinking water.
- Students have expressed their desire to organize extra theory classes for betterment.
- Non-functionality of some electrical items.

Possible Solutions that you have proposed :

- The first point has been placed to the authority.
- Along with the other faculties of the department we have organized extra theory classes in summer vacation.
- We have solved the electrical problem with the help of authority.

Name of Mentor: *Dr. Arup Roy*

Number of Mentees Allotted: 49

Major Points that you have Analysed :

- Students have expressed their sincere desire to organize Student seminar.
- Students have expressed their desire to organize extra practical classes for betterment.
- We have realised few students have less motivated about the possible higher education.

Possible Solutions that you have proposed :

1. Renovation of classrooms, water supply line needs to be maintained.
2. More fund is needed for maintenance of laboratory equipment, classrooms and set up of computer laboratory.
3. Inclusion of laboratory-based experiments in PG syllabus.
4. At least 1 guidance and counselling class/month may be arranged.

Name of Mentor: *Satadal Adhikary*

Number of Mentees Allotted: 29

Major Points that you have Analyzed :

1. Some mentees asked for additional references/resources on a few topics
2. One mentee showed interest on bird watching as a hobby

Possible Solutions that you have proposed :

1. Reference books/resources were recommended for their topic of concern
2. Field guide book on birds were supplied to the mentee for identification of birds as hobby

Name of Mentor: *Anirban Pandey*

Number of Mentees Allotted: 12

Major Points that you have analyzed :

1. The cleanliness of the classrooms and laboratories.
2. Availability of tap water in the laboratories and washrooms.
3. Maintenance of laboratories, classrooms, laboratory equipments and chemicals.

Possible Solutions that you have proposed :

1. Classrooms, laboratories and water supply line need to be maintained more properly.

Name of Mentor: *Dr. Debojyoti Dutta*

Number of Mentees Allotted: 12

Major Points that you have Analyzed :

1. Laboratory
- 2 Academic
- 3 Career Counselling

Possible Solutions that you have proposed :

1. Renovation and orientation of the Instruments in Lab.
2. More utilisation of Library
3. Maintaining correlation with Incubation centre of Innovative Ecosystem is advised.

Name of Mentor: *Ajanta Datta Chattopadhyay (SACT)*

Number of Mentees Allotted: 30

Major Points that you have Analyzed :

1. A few students had facing problems on writing ENVIS project.
2. Students wanted an educational tour for gather more practical Knowledge.
3. They were requested for previous year question

Possible Solutions that you have proposed :

1. Taken extra class to solve the issues by focusing on individual's problem.
2. Name of some reference books were provided.
3. The matter was discussed with HOD and Principal Sir and the problem was resolved by taking the students on an educational tour.
4. Previous year question paper were distributed and discussed.

DEPARTMENT: PHYSIOLOGY
Report of Mentor Mentee for 2022-2023

Name of Mentor: *Dr. Tuhin Suvro Banerjee*

Number of Mentees Allotted: 13

Major Points that you have Analyzed :

1. Students wanted to discontinue for other exams, family related matters, etc.
2. Course related queries.
3. Students preparing for higher studies wanted more guidance.

Possible Solutions that you have proposed :

1. Provided proper counselling to bring them back to the studies and complete the course.
2. After regular classes, remedial classes are taken for each semester student, to clear their relevant course related doubts.
3. Regular guidance in the form of MCQs, study material, etc. are provided for relevant competitive exams for higher studies.

Name of Mentor: *Dr. Tridib Chakraborty*

Number of Mentees Allotted: 14

Major Points that you have Analyzed :

1. Due to financial constraints, unable to purchase books.
2. Wanted to drop-out in-between the semesters due to family-related and financial problems.
3. Became addicted to social media (e.g. Mobile Phones) hampering studies.

Possible Solutions that you have proposed :

1. Provided Study Materials and Books as far as possible.
2. Suggested for doing Part-Time Job and made Counselling.
3. Made Counselling and suggested Meditation.

Name of Mentor: *Dr. Payel Banik*

Number of Mentees Allotted: 15

Major Points that you have Analyzed :

1. Most of the students were afraid to face the offline examination for the first time after getting admission in college.
2. Some slow learners faced problem regarding proper answering of the questions at graduate level.
3. Two fast learner students are very much enthusiastic about perusing research and interested to get hands-on experience in research field.

Possible Solutions that you have proposed :

1. Took intermittent class tests. After discussion, College administration arranged centralized test examination prior to the University examination. Central library also makes a database of previous year's question papers.
2. Motivated them to make notes and briefing the topic after consulting books. Inspired them to use library facilities.
3. Guided them to apply for Science Academies Summer Research Fellowship Program for Students 2023 organized jointly by IAS, Bengaluru; INSA, New Delhi; and NAS, Prayagraj and recommended them for the same.

Name of Mentor: *Pasang Tshering Dukpa*

Number of Mentees Allotted: 35

Major Points that you have Analyzed :

1. Some students needs remedial classes on some subjects
2. Classes starts too early at 7:30 am in the morning for programme course students.
3. Need additional clean washroom for female students

Possible Solutions that you have proposed :

1. Respective teachers of concerned subjected has been informed about the students need for remedial classes.
2. The concerned problem has been communicated with the management.
3. The problem has been reported to the management and necessary action has been requested.

Name of Mentor: *Anindita Chakraborty*

Number of Mentees Allotted: 12

Major Points that you have Analyzed :

1. Problems related to understanding topics within syllabus
2. Indecisive attitude related to future career
3. Financial problem, mainly for the students from interior areas of the district.

Possible Solutions that you have proposed :

1. Took extra classes, supplied notes written in easy language, suggested variety of books.
2. Career counselling in my own way, also tried to understand their likes and dislikes and suggested the various options they may opt for in the future.
3. Informed them about various scholarships and financial aid for which they may apply, suggested to reside at college to cut transportation cost and also support financially in various occasions.

DEPARTMENT: BENGALI

Name of Mentor: *Shyama Prasad Roy (SACT)*

Number of Mentees Allotted: 28

Major Points that you have Analyzed :

1. Books and reading materials are not easily available for certain topics
2. Solving of previous years question papers.
3. Exams related problems – how to go about answering the questions within stipulated time.

Possible Solutions that you have proposed :

1. Notes and reading materials were given. Links of various e-resources were also provided.
2. The previous years questions were distributed to them and explained to them accordingly.
3. Many students struggle to answer all questions within the allotted time. Therefore, efforts were made to raise awareness about time management for each question, ensuring completion of the required number of answers within the given timeframe.

Name of Mentor: *Shilpi Bhattacharya (SACT)*

Number of Mentees Allotted: 30

Major Points that you have Analyzed :

1. Certain topics lack readily available books and reading materials.
2. Solving of previous years question papers.
3. Exams related problems like answering the questions within stipulated time period.

Possible Solutions that you have proposed :

1. Provided notes and reading materials along with links to various e-resources.
2. Previous years' questions were distributed and explained to them.

DEPARTMENT: ENGLISH
Report of Mentor Mentee for 2022-2023

Name of Mentor: *Rahul Barua*

Number of Mentees Allotted:78

Major Points that you have Analyzed :

1. How to develop self-integrity and self-respect?
2. How to remain “focused” on their goals?
3. How to use library effectively?

Possible Solutions that you have proposed :

1. Reading biographies of eminent personalities and motivational books will help them to build their personality.
2. Inspire the students to remain practical and build healthy habits. Mobile addiction is a curse to the present generation.
3. Using library and reading primary texts will inspire them to become research-minded.

Name of Mentor: *Mithun Barman*

Number of Mentees Allotted: 65

Major Points that you have Analyzed :

1. How to adjust with the changes in online education?
2. How to engage oneself with extra-curricular activities?
3. How to use ICT enabled devices?

Possible Solutions that you have proposed :

1. Using internet can help the students to adjust with the changes in online education.
2. Inspire the students to engage themselves in games and sports.
3. The use of ICT enabled devices may help the students in developing the skills - written and spoken.

Name of Mentor: *Samir Dey (SACT)*

Number of Mentees Allotted: 28

Major Points that you have Analyzed :

1. How to adapt to changes in online education?
2. How to engage oneself with extra-curricular activities?
3. How to use ICT enabled devices?

Possible Solutions that you have proposed :

1. Leveraging the internet can aid students in adapting to shifts in online education.
2. Encourage students to actively participate in games and sports.
3. Utilizing ICT-enabled devices can assist students in enhancing both written and spoken skills.

DEPARTMENT: HISTORY
Report of Mentor Mentee for 2022-2023

Name of Mentor: *Arka Acharjee*

Number of Mentees Allotted: 50

Major Points that you have Analyzed :

1. Time management challenges in study.
2. Not being able to concentrate and maintain focus in study for a long period of time.

Possible Solutions that you have proposed :

1. Proper guidance and suggest some operative methods in this regard (such as- conquer procrastination and accomplish your goals effectively, set a timer for a short period of time and begin working, Try keeping a to-do list to organize your tasks, or using a physical or digital planner to organize your agenda etc.).
2. Proper guidance and suggest some effective measures in this regard (such as- use your peak performance time, take breaks, set your daily goals etc.)

Name of Mentor: *Rajeshree Dutta*

Number of Mentees Allotted: 39

Major Points that you have Analyzed :

1. Due to unhygienic bathroom, students were getting urinary infection.
2. Some students were not getting study material and reference books.
3. They could not attend regular college for home distance.

Possible Solutions that you have proposed :

1. Regular cleaning of the bathroom has been arranged by talking to the college authorities.
2. They are given Book, Study material from the departmental library.
3. Arrangements have been made for them to stay in the college hostel.

Name of Mentor: *PROVAT PODDAR*

Number of Mentees Allotted: 53

Major Points that you have Analyzed :

1. Books and reading materials are not easily available for certain topics
2. Solving of previous years question papers.
3. Exams related problems – how to go about answering the questions within stipulated time.
