

BRIEF HISTORY OF THE COLLEGE

Acharya Brojendra Nath Seal College boasts a rich history spanning more than 135 years. Originally founded as Victoria College in 1888 by Maharaja Nripendra Narayan, the ruler of the Princely State of Koch Bihar, it was one of the 1st category colleges by the statute of Calcutta University located at the Mofussil area. Maharaja Nripendra Narayan, the then ruler of the Princely State of Koch Bihar was passionate about promoting education in the region. He was deeply involved in developing the academic environment of the state, leading to the establishment of Victoria College as a centre of higher education. Initially named after Queen Victoria to mark the 50th anniversary of her coronation, the college's foundation was significantly influenced by the Maharaja Nripendra Narayan. Following India's independence, the Princely State of Koch Bihar joined Bengal Presidency in 1948 and was fully merged with West Bengal on January 1, 1950. Consequently, the college was taken over by the Government of West Bengal. In 1962 as soon as University of North Bengal was established, Victoria College was disintegrated from the University of Calcutta and started its journey as an affiliating college under University of North Bengal. In 1970, in order to commemorate the contribution of its first Indian Principal, the college was renamed as Acharya Brojendra Nath Seal College. And thereafter, since 2013, this college has been an affiliated college under Cooch Behar Panchanan Barma University.

The founder Principal of the College was Prof. J. D. Goodley, who served the institution from 1888-89. Following him, the college saw brief tenures of two other Principals from abroad, Prof. Wood and Prof. Delafosse. It was then that Acharya Brojendra Nath Seal became the first Indian to assume the position of Principal, serving for an impressive 18 years from 1896 to 1913. Acharya Seal was not only one of the greatest philosophers and thinkers of modern India but also a pioneer in higher education in Bengal. He exemplified the principle of simple living and high thinking. He earned a Ph.D. and a D.Sc. from Calcutta University in 1910 and 1915, respectively. In 1914, he was appointed as the George V Professor of Philosophy, a position later renamed after him in 1950. Acharya Seal also served as the Vice-Chancellor of Mysore University. Acharya Seal was very closely associated with Rabindranath Tagore and at the request of Rabindranath Tagore, he inaugurated Viswa-Bharati in Santiniketan. In 1926, Knighthood has been conferred upon him. Under his stewardship, the College became famous as a centre of learning not only in Bengal but also in the whole of North-East India.

Acharya Brojendra Nath Seal was succeeded by T. L. Vaswani as the Principal of the College. Professor Vaswani was one of the earliest supporters of Mahatma Gandhi's Non-Cooperation Movement and a close associate of Mahatma. Later on, he moved across the length and breadth of India, inculcating national consciousness. In 1933 he founded the Mira Movement in Education which stressed on the cultural value of India combined with the modern scientific spirit of inquiry.

Prof. Chandrika Prasad Banerjee of the discipline of History was the Principal of this college from 1957-1959. Incidentally, he was the son of great historian Prof. Rakhaldas Banerjee. Prof. Pradip Mukherjee, a famous Geologist, and who acted as Principal of this College from 1969-1970, moved on as Registrar, Calcutta University and subsequently became Pro-Vice-Chancellor of Jadavpur University. Another stalwart who graced the chair of the Principal of this College was Prof. Bhabatosh Dutta (1975-1977). He was renowned scholar in Bengali literature and later on became the Vice-Chancellor of Visva-Bharati.

Victoria College and subsequently Acharya Brojendra Nath Seal College can also boast of a number of celebrated faculties at different points of time. During the period from 1888-1930, Prof. Joykrishna Sen of the Department of English, Prof. Govinda Chandra Das of the then Department of Science, Prof. Jogesh Chandra Sinha Roy of Philosophy, Prof. Sarat Gupta of Sanskrit, Prof. Rajat Prasad

Neogi of Mathematics, Prof Bir Chandra Sinha of Philosophy, Prof. Jotish Chandra Bhadra of Mathematics, Prof. Lalit Banerjee of English, Prof. Kapileswar Sastri of Sanskrit are few such distinguished faculties. During the period of 1930-1950, scholars like Prof. Phani Bhusan Chatterjee of Chemistry, Prof. Sarat Chandra Gupta and his brother Prof. Amulya Chandra Gupta (both of them) taught English and the latter was an alumnus of this College too. Amulya Chandra Gupta's book on Rhetoric and Prosody is considered a valuable work in English language. Prof. Pratul Chandra Rakshit a famous scholar on thermodynamics was also faculty of this College during the forties. He had left a glowing account of his experiences in Cooch Behar. Prof. Debendra Kumar Ghosh served this College in the Department of Bengali. His book on History of Bengali Literature is listed in the Calcutta University. Prof. Chunilal Mukherjee of Economics and Prof. Durga Kinkar Bhattacharjee of English who incidentally were alumnus of this College, protested against the army deployment by the Maharaja in collaboration with the British Government at Cooch Behar in 1943. Prof. Durga Kinkar Bhattacharjee moved to Malda College as the Principal and later on he joined in the C. P. I. In the fifties of twentieth century, Prof. Sashi Bhusan Das and Prof. Santi Ranjan Banerjee of English (later moved to Burdwan University), Prof. Ganesh Chandra Bose (came from Dacca University and joined Jadavpur University), Bhabani Gopal Sanyal of Bengali (a famous writer), Kamal Kumar Ghatak of History, (moved to Calcutta University) were eminent faculties of this College. These distinguished faculty members have significantly contributed to the college's legacy, establishing it as a centre of academic excellence in Bengal and beyond.

Panchanan Barma, an influential intellectual and social reformer from colonial North Bengal, was an alumnus of this college. He completed his graduation in Sanskrit from this esteemed institution in 1893. He dedicated his entire life to the upliftment of backward classes and was a prominent Rajbanshi leader who engaged actively in political and social reform activities. He was a social reformer, scholar, essayist and folklore researcher. He became a Member of the Bengal Legislative Assembly in 1920. Pulin Bihari Das, a revolutionary in Pre-independent India, passed F. A. in 1899 from this College. Famous social activist, politician and writer of this area, Upendranath Barma was a student of this College from 1916-1920. Famous Folk (Bhawaiya) song exponent Abbasuddin Ahmed passed B.A. from Victoria College.

Notable novelist, short-story writer, essayist and playwright Amiya Bhushan Mujumdar passed intermediate of Arts from Victoria College in 1937. Later he graduated with Honours in English from this college. 'The God on Mount Sinai', a one-act play, serialized in two instalments in the magazine 'Mandira' in 1944 was his first published writing. Following that, his short stories "Promilar Biye" and "Nandarani" gained attention for their unique prose style when published in 1946 and 1947, respectively. Afterwards, his major novels "Garh Shrikhanda" and "Nayantara" started serialization almost simultaneously in 1953-54. He further published 27 novels, 115 short stories, about 50 essays and 6 one-act plays for the next fifty years. This prolific writer was awarded Bankim Puraskar (West Bengal government), Sahitya Academy prize, D. Litt from two Universities and other honours.

In the forties of the twentieth century, Sourin Bhattacharya became a leader of the Revolutionary Socialist Party was a student of this college. His brother Ramen Bhattacharya who later on became a Borough Chairman in London was also an alumnus. Sri Haraguri Gupta, who became a Professor in Canada, was a student of this college. Amit Roy and Ashok Roy, an engineer settled in Canada and a M. R. C. O. G (London) respectively were also students of this College.

Famous Bengali novelist Shirsendu Mukherjee studied I.A. in this College. Kalaguru Bisnuprasad Rava, an eminent freedom fighter from Assam and one of the pioneers of Assamese music and art was a student of this college. Prof. Prahlad Sarkar of Philosophy in Calcutta University, Prof. Sankar Kumar Bhowmik of Economics in Calcutta University, Prof. Hari Madhab Sarkar of Linguistics in Jawarhalal Neheru University were the students of this institution. Atreyi Ghosh of Chemistry (now a faculty in Alabama University, USA) is also the alumnus of this College.

The great history and tradition of Acharya Brojendra Nath Seal College, along with its continuing contribution to education in the region, have been recognized through significant accolades in recent years. In 2010, the University Grants Commission (UGC) honoured the college by designating it as a Centre with Potential for Excellence. In 2017, the National Assessment and Accreditation Council (NAAC) accredited the college with a Grade A rating. In 2024, in the 3rd Cycle of accreditation, NAAC once again accredited the college with Grade A+ with a score of 3.4, further enhancing its reputation and adding a feather to the institution's crown. These recognitions affirm the college's commitment to academic excellence and its pivotal role in the educational landscape of the North Bengal and North-eastern region of the country.

NAAC PEER TEAM VISIT

National Assessment and Accreditation Council (NAAC) Peer team visited Acharya Brojendra Nath Seal College, Cooch Behar on the 29th and 30th of April, 2024. The three member Peer team comprising of the Chairperson, Dr. Rajesh Kumar Singh Dhakarey, Member Co-ordinator, Dr. Nanda J. Puri and Member, Dr. Abdul Kader Parambat visited the college to validate the Self-Study Report (SSR) of the college for the 3rd Cycle of NAAC accreditation.

On April 29th, the Peer team, welcomed by the NCC, was honoured with a Guard of Honour from the College gate to the administrative block. The procession was marked by the presence of students and faculty members lining the route. The assessment process began around 9:30 a.m. with a presentation by the Principal in his chamber, followed by an in-depth discussion between the Principal and the Peer team members.

The Peer Team conducted a comprehensive assessment of the college, covering a broad range of aspects essential to its functioning and development. Their evaluation process included curricular aspects, teaching-learning and evaluation processes, research, extension and innovation activities, infrastructure and learning facilities and other aspects of the college. They held interactions with IQAC, all departmental heads, teaching staff, non-teaching staff, students, representative of Higher Education Department, alumni and parents. They also spent considerable time while visiting all academic facilities, administrative and support services. In this context, it may be mentioned that they were keenly interested to know the entrepreneurial skill development of our students under the guidance of Incubation centre for Innovative Ecosystem (ICIE). Further, they were eager to discern the uniqueness of the college Museum, Central Library and its archive, activities of NCC, NSS and functioning of two hostels, namely Nripendra Narayan Boys' Hostel and Acharya Brojendra Nath Seal College Girls' Hostel. Cultural events, and three clubs, viz., Cine Club, Standard Club and Science club were also presented for their review and perusal. They checked documentary evidence, prepared their report and held an exit meeting with the Principal, IQAC Co-ordinator, NAAC Co-ordinator and all the faculty members of the college. They handed over its report to the Principal in its exit meeting on 30th April, 2024.

In the end, Acharya Brojendra Nath Seal College was accredited by the National Assessment and Accreditation Council (NAAC) on 9th May, 2024 with A+ Grade and a CGPA score of 3.4 in the 3rd Cycle of accreditation for the next five years.

ACTIVITIES

1. ADMINISTRATIVE ACTIVITIES

1.1. Activity of the Planning Board

The Planning Board of Acharya Brojendra Nath Seal College is the highest level of important administrative body that attempts to design the institutional Strategic/ Perspective plan in each academic year in order to execute various activities of the College smoothly. Their responsibilities include approval of academic calendar, implementation of strategies to support students through various initiatives such as, Add-on course introduction, introduction of certificate and skill development courses, collaboration with various academic and professional bodies, quick approval for library automation etc. During the last academic year, likewise, IQAC Planning Board of the college took utmost care for all round development of the college. Some of the mentionable initiatives are compilation of **LMS** and **CO & PO** in the college website, speedy approval of **Students Free ship**, framing guidelines for celebration of Annual Day of the college (**'KRISHTI'**) etc.

1.2. Activity of Internal Quality Assurance Cell (IQAC)

The IQAC of any institute is a “participative” and “facilitative” unit that works in association with the college authority and faculty members so as to plan out the best possible strategies for the institutional development so as to secure the internal quality assurance of it.

The Internal Quality Assurance Cell (IQAC) of Acharya Brojendra Nath Seal College has been functioning all-round the year in order to achieve the goal of action plans for quality evaluation, quality sustenance and quality up-gradation of the institute. Accordingly, the cell has been making concerted efforts to motivate and guide the students, teachers and non-teaching staff of the college for holistic quality excellence. Some of the most important quality enterprises taken up by the IQAC are the instigation and assessment of the students’, teachers’ and other stakeholders’ feedback, being a regular affair of the IQAC, even amongst all adversities, extension of services in various forms benefiting the students of the college as well as the society at large, providing continuous impetus for the organization and celebration of major observable Days such as the International Yoga Day, World Environment Day, International Womens’ Day to name a few.

In the academic session 2023-2024, IQAC took initiatives for the 3rd cycle of NAAC accreditation of the college. And, thanks to its relentless effort for the last few years ultimately the college was accredited with Grade A+ with a CGPA score of 3.4, the second highest score among the Government Colleges in West Bengal so far.

To note further, observation of Annual Day of the College and publication of Annual Report, ‘SAMAY’ on that very day, which happens to be a narrative containing all undertakings and accomplishments of the college, students, teachers and staff well reflects the insight and judiciousness of the IQAC.

1.3. Activity of Anti-Ragging Committee

The Anti-Ragging Committee's main motto throughout all educational institutions is "Ragging Free Campus. To ensure the prohibition, prevention, and elimination of the scourge of ragging, the Anti-Ragging Committee of Acharya Brojendra Nath Seal College for the academic year 2023–2024 organized an orientation program on 24.08.2023 and 25.08.2023 respectively. This program included any behavior on the part of any student, whether through words or written acts, or handling freshmen or other students rudely, or engaging in rowdy or indiscipline activities that cause or are likely to cause annoyance, hardship, psychological harm, or to raise fear and shearing, among other things. The awareness campaign is effective, as there have been no reports of incidents involving rage from either the college campus or the hostel campus as of the conclusion of the academic year.

1.4. Activity of the Internal Complaints Committee (ICC)

The Internal Complaints Committee of Acharya Brojendra Nath Seal College is an independent administrative Committee which is instrumental in promoting gender neutral environment in the college campus. The committee has organized awareness programmes for sensitisation purposes in the last year. The Annual Gender Sensitization Plan of the last year has also been circulated among the students and staff of the college.

On 21st of July, 2023, the Internal Complaints Committee of Acharya Brojendra Nath Seal College undertook a voluntary activity of visiting a small village area around Natuar-par in District Cooch Behar, where clothes and chocolates are distributed to the children of the surrounding area. The experience was indeed fascinating and heart touching one, so much so that the committee decided to undertake many such ventures in the near future. Again, the committee visited the same place in the month of October 12th to distribute the clothes before Durga Puja among the children of that village.

Further, a One Day awareness programme on girl child trafficking was organized by ICC, Acharya Brojendra Nath Seal College in February, 2024 in the adopted village named Natuar-par. The lecture was delivered by the District Child Right Protection Officer. A large number of the villagers particularly the parents of the girl child attended the programme.

Internal Complaints Committee of Acharya Brojendra Nath Seal College observed the International Women's Day which is being witnessed all throughout the world on 8th of March, but due to a national holiday, this year the observation in the institution got postponed and was finally held on 11th of March, 2024. The day was marked by a special lecture on crucial issues of women safety and the mode of legal safeguards that a woman can seek for, in cases of exigencies. The esteemed resource person of this lecture happened to be an expert from this field, Secretary, District Legal Services Authority, Cooch Behar, Sri Smarajit Ray.

The committee organized an awareness camp cum workshop on 'Self Defence Mechanisms' for safety of women on 11th March, 2024 at college premises. The students particularly the girl students from each department participated and enjoyed the workshop. They learned the self defence mechanism physically by the Trainer.

In addition to all these, the I.C.C. kept open its forum for anyone associated with the college, to lodge a complaint on any issue of concern and remained engaged with scheduled activities. Nevertheless, the issue of gender sensitivity is not confined within classroom only, the college is extremely sensitive towards practical problems faced by the students and keeping in mind the typicality of sensitive issues that girls and other genders may face, provision of counselling was kept open though incidences reported have been negligible.

1.2. Memorial Lectures

The various Departments of the College usually organizes Memorial / Invited Lectures in their respective Departments to enlighten and motivate their students by the resourceful and inspiring lectures from the resourceful speakers from their subject area. However, due to the NAAC visit preparation a few Departments could have organized such lecture sessions in the last academic session. Details of these are given below.

Sl No	Date	Details of Activity	Organized by	Venue	No. of Participants	Resource Persons

2.3. Motivational Lectures

One of the best practices of Acharya Brojendra Nath Seal College is to arrange for motivational speeches or lectures by reputed dignitaries that often include alumni of the institution itself. Such alumni meetings and interactions inspire the students to learn and act in a way that will fulfill their dreams for their careers. Thus, the motivational speeches aim at the discovery of the motivational factor in a student's life that importantly can cause to their reaching at the desired destinations. Almost every department of the College tries to arrange at least one motivational lecture in each academic session.

Sl. No.	Date	Details of Activity	Organized by	Venue	No. of Participants	Invited Alumnus
1.	16-03-24	Alumni Interaction for motivational lectures	Department of Education	Department of Education	72	Bishop Oraon West Bengal Police

2.4. Special Lectures

Arrangement of Special lectures is another distinguishing feature of our college. These lectures are usually organized on some relevant subject matters or special issues of concern and are often sponsored by some funding agency. In the previous academic session, the following special lecture session was arranged which remained a special session itself due to the resourceful lectures and presentations of luminary personalities from in and across the state. The details of this special lecture are as follows:

Sl. No	Date	Details of Activity	Organized by	Sponsored by	Resource Persons
1.	23.03.2024	Lecture Session on Jagadguru Shri Shankaracharya Vyakhyanamala	Acharya Brojendra Nath Seal College, Cooch Behar	Bharatiya Bhasha Samiti, Ministry of Education, Govt. of India	1. Dr. Shantanu Ambadasrao Ayachit Assistant Professor Department of Sanskrit & Philosophy Ramkrishna Mission Vivekananda Educational & Research Institute, Belur Math 3. Dr. Biswajit Barman Assistant Professor Department of Sanskrit, Mahatma Gandhi Central University, Bihar

2.5. Certificate Courses

It is a pleasure to state here that two Departments, one from the stream of Arts and the other from the Science stream, of our college offered Certificate Courses in the last academic session which are expected to be highly beneficial to the students in their career prospects as well as in different spheres of their practical life. The details of these courses are tabulated below:

Sl. No.	Date	Name of the Course	Duration
1.	6 th January, 2024 to 30 th June, 2024	Certificate Course in “Communicative Functional English”	6 Months
2.	2 nd February, 2024 to 30 th June, 2024	Certificate Course in Computer Application	6 Months

2.6. Value Added Course:

Apart from Certificate Courses Acharya Brojendra Nath Seal College arranges Value Added Course in Ethics, Gender and Environmental Education with an aim to motivate and update the students morally, socially as well as environmentally. This course is usually planned at the beginning of each academic session and is made mandatory for the Under Graduate first Semester students to build an appropriate perception of the issues of morality, gender as well as environment. It, thus, aims that the students can act and protect themselves as well as others in the society within their informed moral, social, and environmental perceptions from the very early days of their college life. Actually, when the world seems to move very fast, we may find “awareness”, the human quality, to be shadowed day

by day within the mechanical life styles. In such a situation bringing back the consciousness about life and the world around seems a challenge. Acharya Brojendra Nath Seal College takes this challenge very positively with the practice of such courses under the title of Value, Gender and Environment. In other words, the value-oriented course in our college is a need of the hour which it sincerely takes care of. The following depicts the detail of this course:

Date	Name of the Course	Duration
August-September	Value Added Course in Ethics, Gender and Environmental Education	32 Hours

2.7. Apprenticeship Courses & Internship Courses

Apprenticeship Courses offers the students an exposure to their interested areas which helps in discovering their inner skills and builds in them an expertise of skilled temperament in that particular field. This, further, paves their way towards a potential self-employment for financial stability in life. **Internship**, on the other hand, presents opportunities before the students who desire to be involved in the profession of teaching and researches in particular, and with learning and gathering experiences in the subject in general. Acharya Brojendra Nath Seal College, Cooch Behar have successfully kept this brilliant academic opportunity of internship open for many outgoing as well as ex-students for their first-hand learning and experience under individual Departmental guidance to develop in them the required skills in teaching so that they can easily cop up with the actual environment in their academic workplaces. In a way, internship courses prepare the interested students eligible for their future.

It is here noteworthy that there prevailed a concept of **internship in the NCCF system** under New Education Policy (NEP) as introduced by the affiliated University of our college. Accordingly, each and every department under the Science as well as the Arts streams guided the concerned students in their first-hand learning and experience in project preparation as interns.

In the academic session of 2023-2024, therefore, under the supervision of some Departments of . Acharya Brojendra Nath College students from different batches participated in such Apprenticeship as well as in Internship Courses, although the internship stands for dual meaning here. One for those eligible students who are given opportunity to experience in classroom teachings, while another is meant to include all the students of the NCCF batch whose internship are curriculum based. Hence, in order to distinguish between the **general course of internship** (as summer internship in different subjects is a compulsory criterion under NCCF) and the **specific course of internship** as are offered by specific departments of the Institution only we present the list of only those participations of Apprenticeship and Internships that represent the special feature of some Departments particularly:

Sl. No.	Date	Name of the Course	Organized by	Venue
1.	17-02-24 to 26-05-24	Summer Apprenticeship Course On "Hands-on Training on Mushroom Cultivation"	Department of Botany	Department of Botany
2.	01-03-24 to 31-05-24	Internship Course	Department of Botany	Department of Botany

2.8. Student's Seminar / Lectures

Every year in each academic session the respective Departments of the College organize Student's Seminar in their Departments. Formulating of new ideas by the students and presenting their minds before a learned gathering in the subject, comprise the prime objective of this academic activity. The list of such student's seminars for the 2023-2024 session is tabulated below:

Sl. No.	Date	Topic/ Batch of the Student's Seminar	Organized by
1.	18-09-23	UG Student Seminar, 5 th Semester	Department of Botany
2.	19-09-23	UG Student Seminar, 3 rd Semester	Department of Botany

Some moments of these presentations are captured as follows:

2.9. Educational Tours / Fieldworks

Tours and field works are important parts of any system of education. In fact, the role and influence of an Educational tour in the life of a student is very well understood and, therefore, recognized by any academic institution of which our college is no exception. However, so far the frequency and regularity of such tours are concerned our college attains a good repute. By encouraging this process of learning with practical experience in a given environment the college promotes not only a refreshing educational environment to the students but also sets the students for adaptability, adjustment capacity, fellow feeling and similar other human qualities as essential in a social life. In other words, educational tours, in general, ensure the future preparation of life in a student and the training of the skills in his specialized field in particular. Different Departments of our college go for such educational tours where students are involved actively with the process of arrangement of such tours or excursions. In the academic session of 2023-2024 also students from different Departments of the College participated in Educational Tours and engaged in various field works as a relevant part of their study. Details of these Tours are the following:

Sl. No.	Date	Spot of the Educational Tour	Duration	Organized by
1.	05-07-23	Educational Tour at Tapurhat Forest, Cooch Behar	1 Day	Department of Botany
2.	19-11-23 to 23-11-23	Educational Tour at Sundarban National Park	5 Days	Department of Botany

3. CULTURAL ACTIVITIES

When the cultural instinct in humans forms the fulcrum of an individuals' fellowship towards the society it is not irrelevant to say that culture is an essence of human civilization without which the race of humans would not have flourished in the way it did through decades and decades of generations. Therefore, to mark the glory of this significant human instinct the Cultural sub-committee of Acharya Brojendra Nath Seal College continuously is engaged in providing various cultural platforms to encourage all the individual students along with the teachers who enthusiastically participate in these throughout every academic session. Accordingly, in the session of 2023-24 the Cultural sub-committee hosted a list of the following cultural programs:

3.1. Celebration of Independence Day 2023

The Cultural sub-committee started its programs for the session 2023-24 with the celebration of **77th year of Independence** on 15th of August, 2023 where the National Flag was hoisted by the Principal of the College, Dr. Nilay Ray, which was followed by the National Anthem. The students including the NSS and NCC wings of the college took a pledge in front of the National Flag to secure always at any cost the unity and integrity of the nation. A cultural program on patriotism and the concepts of unity in diversity in India was marked by the colourful performances of the students of the college. Some glimpses of this celebration may be seen below:

3.2. Observation of Annual Day 2023

The birthday of Acharya Brojendra Nath Seal after whose fame the college is renamed is celebrated every year on 3rd of September which happens to be an exciting day for any and every member of the college fraternity. To mark the grandeur of this day a long series of programs including active cultural performances are usually organized by the Cultural sub-committee under the banner of “Kristi”. However, due to the NAAC visit related preparation the Cultural sub-committee could not make a large arrangement for “Kristi”, although the birthday of the Acharya was celebrated on the specific day of 3rd September, 2023 by garlanding of the Statues at college campus along with speeches, song, recitation by the teachers, the students and the non-teaching staff of the college. Some glimpses of this day may be seen below:

3.3. Celebration of “Sharadotsab”

Celebrating the season of Autumn is a call of the Nature to feel refreshed after the hot weather of Summer and prior to the entry of the Winter. In Indian terminology we call this period of the year as “Sharatkaal” when everyone naturally follows the festive vibes. In fact, this “Sharatkaalinutsab” or what is well known as “Sharadotsab” or “Agomoni” is an integral part of the Cultural dimension of the state of West Bengal in particular. To dive in this festive flavor, as the autumn naturally offers, the Cultural sub-committee of Acharya Brojendra Nath Seal College presented an epoch-making effort to host the “Sharadotsab, 1430” (2023) on 12th of October, 2023 where students, teachers, and every member of Acharya Brojendra Nath Seal College family irrespective of their community, religion or caste took part with absolute enthusiasm. Some of the moments of this extraordinary participation are captured as follows:

3.4. Cooch Behar “Jela Boi Mela”

“Boi” (book) is an important part of any system of education and learning. To be acquainted with a book is to be acquainted with knowledge in some form or other. Acharya Brojendra Nath Seal College took this delight to present before the book lovers in general and the student folk in particular, a scope to plunge into the ocean of knowledge by holding the district level book fair of the district of Cooch Behar in its own campus from 25th of December to 31st of December, 2023. “Bhasa shikhbo, boi likhbo” was the motto of this book fair where apart from some leading publishers many local publishers took part with their old and new publications. So far the cultural sub-committee was concerned they trained and motivated the students of the college to take part in cultural performances in this district level fair of books at the campus which indirectly cause to double their interest and participation in the book fair.

3.5. Observation of Student’s Week

To facilitate an awareness of the Government of West Bengal initiative towards the scheme of “Student Credit Card” and SVMCM in context of supporting the future aspirants of higher studies from underprivileged category a committee is formed with the members of the Cultural sub-committee in Acharya Brojendra Nath Seal College in December 2023. Hence, it became an extended gesture of responsibility for the Cultural sub-committee of our college to wholeheartedly support and to organize the observation of the Students’ Week in the first half of January, 2024 with the execution of different programmes including cultural exposition in the form of different cultural competitions. It was, thus, observed successfully from 2nd January, 2024 to 8th January, 2024 maintaining the Govt. schedule in its own campus. Different types of cultural and other programmes were sketched to involve most of the students of the college to mark the observation of student’s week in January, 2024. For the convenience of the students one programme schedule was chalked out in the following way:

Programme Schedule:

Date	Programme	Venue	Organizer
02.01.2024	Self-Defence Programme	Acharya Brojendra Nath Seal College Campus	NCC Unit, Acharya Brojendra Nath Seal College
03.01.2024	Awareness Programme on SCC and other Govt Scholarships	Acharya Brojendra Nath Seal College Campus	Students' Week Observance Committee
04.01.2024	Seminar	<i>Vidyasagar Sabhagriha</i> Acharya Brojendra Nath Seal College	Students' Week Observance Committee
05.01.2024	Inter- Departmental Quiz Competition	<i>Vidyasagar Sabhagriha</i> Acharya Brojendra Nath Seal College	Students' Week Observance Committee
06.01.2024	Inter- Departmental Extempore Competition	<i>Vidyasagar Sabhagriha</i> Acharya Brojendra Nath Seal College	NSS Unit, Acharya Brojendra Nath Seal College
07.01.2024	Parent Teachers' Meet	Different Departments Acharya Brojendra Nath Seal College	Students' Week Observance Committee
08.01.2024	Intra-Departmental Cultural Competitions	<i>Vidyasagar Sabhagriha</i> Acharya Brojendra Nath Seal College	Students' Week Observance Committee

Though Odd Semester University Examinations were going on this particular week but we are very happy to see the large participation of the students on these programmes. They were enriched with the knowledge of different governmental plans and projects for them and they were made to know how they could take the educational loan through student's credit cards. Our respected Principal played very important role to motivate the students by his every day speech and by presenting himself physically in all the programmes. Our teachers also participated wholeheartedly to make the programme successful one. The parents were also important part of the programme. They came and met with the teachers and shared their thoughts about their children, and the teachers were also mostly successful to clear their doubts about some matters related to college. Some pictures of these events shown below.

3.6. Sabala Mela organized by the Government of West Bengal

The Cultural wing of Acharya Brojendra Nath Seal College responds to different cultural invitations from outside the campus and participates vibrantly. In this session of 2023-2024 also the students of the college under the guidance of the Cultural sub-committee took part in a cultural programme in Sabala Mela organized by the Government of West Bengal in the second week of January, 2024. Some pictures of this participation are given below:

3.7. Saraswati Puja 2024

'Saraswati Puja' is a marked deliverance of offerings by the students of all communities as they get involved in the management and organisation of the ritual within the college premises where the Cultural sub-committee plays a vital role not only in guiding the students in their preparation and arrangement for the worship of the Goddess of Learning, but also involves wholeheartedly in laying out aesthetic competitions like “Rongoli” competition among the student participants. This year also on 12th of February, 2024 the students of the college arrange Saraswati Puja in the campus under the supervision of the Cultural sub-committee in which students made beautiful Rongoli Arts to cause for a happy and charming ambience and a healthy competition also. Thus, it can be said that an expressed environment of cordiality and harmony exists within the institution.

3.8. Antarjatic Matribhasha Dibas

The Department of Bengali in collaboration with the Cultural sub-committee, Acharya Brojendra Nath Seal College, has celebrated the historic ‘Antarjatic Matribhasha Dibas’ on the 21st February, 2024 through a variety of cultural programmes including songs, dance, recitation, etc., to commemorate the sacrifice of the Bhasha Shahids and has taken the pledge to protect and respect one’s mother tongue and serve for the glory of the same.

3.9. Little Magazine Mela: 1st to 3rd of March, 2024

The Sahitya Utsab and Little Magazine Mela organized by the Paschim Banga Bangla Academy and sponsored by the Government of West Bengal at Acharya Brojendranath Seal College premises in March, 2024 from 1st to 3rd received support from the Cultural sub-committee where the students of the college presented the opening song as a team in front of the august gatherings in the inaugural ceremony of the “Mela”. The members of the Cultural team of the college supervised the convenient arrangements of other cultural performances of different communities and tribes in the Mela which was inaugurated by the Education Minister of the State of West Bengal. Distinguished Essayist, Poets, and lovers of literature from various parts of the Country graced this occasion. The photos of this three days long event may be seen below:

3.10. Basanta Utsab

Holi, the festival of colours, brings smiles to everyone’s face. It is also a celebration of the season of Spring. To spread colour and happiness to the monotony of regular routine life of all the students as well as the staff, the Cultural committee of Acharya Brojendra Nath Seal College, Cooch Behar, West Bengal, organized a cultural programme on the auspicious occasion of “Basanta Utsav” on 22nd March, 2024, in the college campus. The ceremonial program was inaugurated by the honourable Principal, Dr. Nilay Ray, in the presence of the college students and teaching and non-teaching staff. Dr. Ray then delivered an impressive speech on the different aspects of the occasion. The inauguration was followed by cultural presentations in the form of recitations, songs and dance performances by the students and staff of the institution. The ceremonial proceedings were concluded with celebration of Basanta Utsav with rubbing of colours (Abir) among all, students, teachers and other staff. All the students, teachers, and non-teaching staff enjoyed a lot and took part in the event very enthusiastically. Sweets were distributed among them and at the end of the day everyone got flooded with happiness as their life got a colour of exuberance.

3.11. Rabindra Jayanti Celebration

Although like every year the Cultural sub-committee of Acharya Brojendra Nath Seal College winds up its activities for the academic session 2023-2024 with the celebration of Rabindra Jayanti on 9th of May, 2024, it was for the first time planned not in a formal stage or formal environment but under the natural ambience where the sky, the winds, the trees and plants witnessed the aesthetic performances of the students and the teachers. The program started with garlanding of the statue of Rabindranath Tagore at the front side of the campus and continued with the insightful speeches by the Principal of the college, by the Secretary of Teacher's Council, along with the recitations, songs, and dance performances by the students and teachers who clubbed together near the statue of Rabindranath. These moments are treasured as below:

4. AVAILABILITY OF SCHOLARSHIPS

In order to pursue higher studies, the Central Government, the Government of West Bengal and its subsidiary Departments as well as NGOs have introduced various scholarship schemes for the meritorious, deserving and underprivileged students. Following are the names of the scholarship and number of benefitted students availing the same:

6. CENTRAL LIBRARY

A Brief History:

The Victoria College was established in 15th June 1888. From the very beginning of its birth the College was granted Rs.25000/- as a special grant for building and its infrastructure including Library, Furniture & Laboratory etc. by the maharaja of Cooch Behar State.

Fig. Library Building Infrastructure

In the first phase (1889 – 90) The College Clerk performed the duty of the College Librarian. In 1926 the Central Hall of the present main building of the College was converted to College Library as well as Students' Reading Room. Since the 1st January 1950 the Victoria College became a government college under the Government of West Bengal and in the same time one post was created for Librarian. The central library was shifted many times from one building to another as it has grown in size. Central Library of the College was finally shifted to a two-storied building in the north- west side of the College campus in July 1999.

In 2022, 2nd floor of this building became ready to serve the students with hybrid reading room & digital library, audio visual classroom. The central Library is now playing the pivotal role to upgrade the learning techniques and skills of the NEP students day by day.

3rd Cycle NAAC peer team declares Central Library is one of the three major features of this esteemed Institution.

Resources and Services:

The Acharya Brojendra Nath Seal College has a vibrant Library & Information Centre embracing the print and digital resources which is one of the oldest and largest learning resource centres of West Bengal catering to the ever growing and uncompromising information and intellectual requirements of the students, faculty and researchers. It is quite large with approximately 1 lakh books including a huge number of rare and old books which are being preserved as a special collection. A.B.N.S.C. library has become one of the best-in-class college libraries in this state, complimented with state-of-art technology supports to the users. In addition to the print materials the library offers thousands of electronic books, journals, magazines, thesis and dissertations, learning videos, language learning facilities, newspapers and many more.

7. STUDENT CLUBS

ABNSC SCIENCE CLUB

ABNSC Science Club is a student organization focused on promoting and engaging in scientific activities and discussions. These clubs provide a platform for students who share an interest in science to come together, explore various scientific disciplines, and participate in related activities. The goals and activities of science clubs can vary, but they generally include elements such as: **Exploration of Science Topics, Guest Speakers and Lectures, Science Outreach and Community Service etc.**

ABNSC STANDARDS CLUB

As we are all aware, the Bureau of Indian Standards (BIS) has been delivering tangible benefits to the national economy through various means, such as ensuring the provision of safe and reliable quality goods, minimizing health risks to consumers, fostering exports and reducing reliance on imports, and exercising control over the proliferation of product varieties. Last year, our college, in partnership with BIS, established the ABNSC Standards Club with the aim of enhancing students' practical experience and offering opportunities for their professional and personal development. Through this initiative, students gain awareness about products, their implications, and potential physical and societal hazards. By equipping students with this knowledge, they can effectively educate the broader community about product safety and its impact.

ABNSC CINE CLUB

The ABN Seal College Cine Club is driven by a passionate commitment to enriching the college experience through the transformative power of cinema. Our primary aim is to provide a platform where students can immerse themselves in the diverse world of film, exploring its cultural, artistic, and social dimensions. Through regular screenings, discussions, workshops, and events, we strive to cultivate a deeper understanding and appreciation for cinema's role in shaping our perceptions and experiences. Our purpose extends beyond mere entertainment; we aspire to foster critical thinking, empathy, and cultural awareness among our members. By creating a welcoming and inclusive space for cinephiles and newcomers alike, the ABN Seal College Cine Club aims to inspire curiosity, ignite imaginations, and spark meaningful conversations that transcend the boundaries of the screen. Join us as we embark on a cinematic journey that celebrates the magic of storytelling and the power of film to inspire, educate, and unite.

ABNSC PHOTOGRAPHY CLUB

The Photographic Club of Acharya Brojendra Nath Seal College, Coochbehar encapsulates the spirit and mission of our educational institution. It highlights its focus on creativity, storytelling, and the art of capturing meaningful moments. This would make a great introduction or motto for the club, inspiring both current and prospective members to join in on the journey of exploring the world through photography.

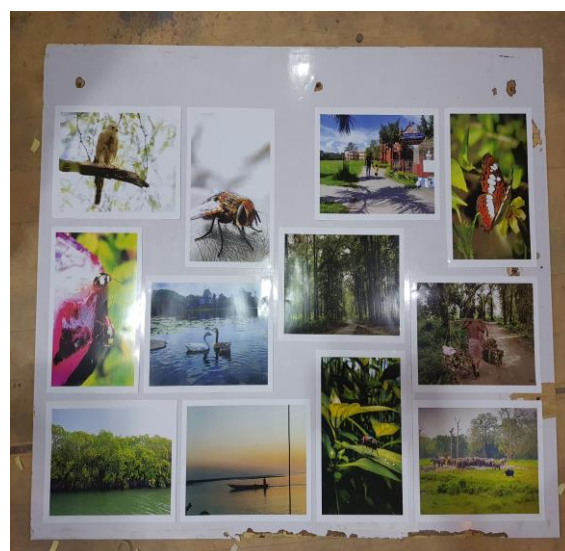

The photography club has convened multiple meetings to establish the club's guidelines. The club primarily attempts to raise awareness about the significance of co curricular activities among students through photography. It strongly believes that photography has the remarkable ability to stimulate thinking and imagination. Moreover, honing photography skills can potentially broaden job prospects in the future.

Some events organised by the Photography Club:

The Photography Club of ABN Seal College organized the photography competition in coordination with the Department of Education on 10th October 2023. The Department of Education also arranged the Prize distribution Ceremony on 10th October 2023. The recipient of the first prize was Rahul Mahanto, a student of First semester of Department of Philosophy, ABN Seal College, Coochbehar and the recipient of the Second prize was Raju Ahmed Ali, student of Education Department of Semester V of ABN Seal College Coochbehar. The event was a resounding success.

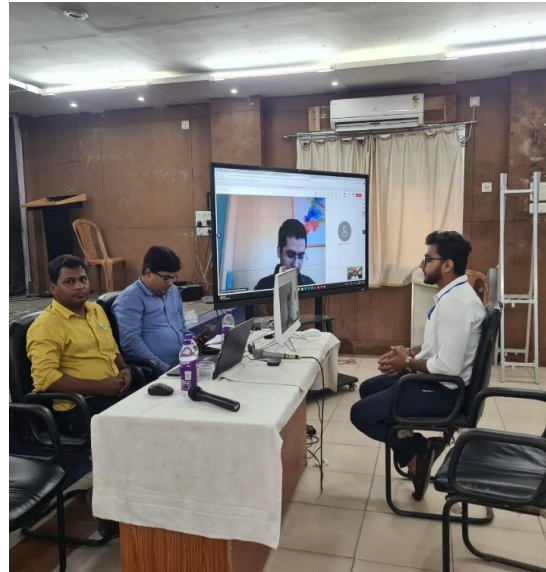

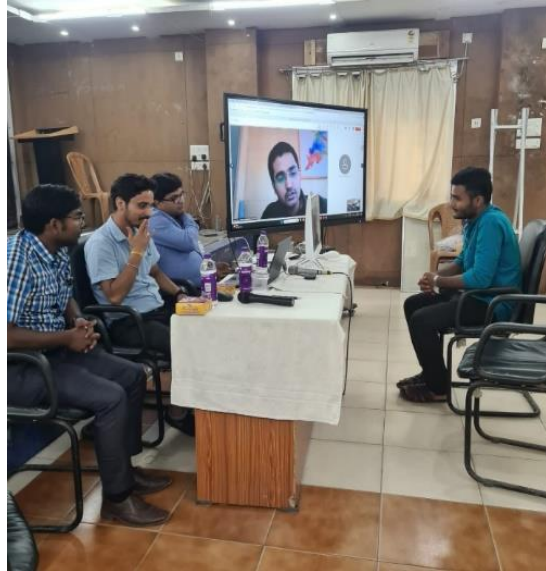

An exclusive Photography Exhibition was organised by the Photography Club in the month of April 2024, under the aegis of Acharya Brojendra Nath Seal College in which students from all Departments of the College participated in the exhibition which was held in the Museum room of Acharya Brojendra Nath Seal College. The themes of the Photography Exhibition included beauty of nature, heritage building of Acharya Brojendra Nath Seal College, heritage buildings of Cooch Behar and Spring moments. The photographs were highly appreciated by everyone. The exhibition turned out to be a grand success.

The club continues photography, competition and exhibitions throughout the year.

8. Initiatives of the Skill and Job Potential Development Cell

On May 16, 2024, Acharya Brojendra Nath Seal College's Skill and Job Potential Development Cell conducted a successful Campus Selection Drive in collaboration with ICICI Lombard, where 8 of the 53 students who participated were offered job positions. Following this, on May 21, 2024, the Cell organized a free, certified internship and placement-integrated boot camp in partnership with QSpiders for 21 students from the Physics and Mathematics departments, where 5 were selected for complimentary training and full placement assistance.

9. Initiatives of the Incubation Centre for Innovative Ecosystem (ICIE)

Like a baby is nurtured, incubation centers provide essential support to help young firms thrive during their early stages of growth. At Acharya Brojendra Nath Seal College, Cooch Behar, the Incubation Centre for Innovative Ecosystem was established in collaboration with CII, North Bengal, to foster innovation and entrepreneurship among the student community in the region. This center offers students hands-on experience in innovation, guided by faculty, management, and industry experts. With over 100 students already registered, the center serves as a platform for sharing innovative ideas and laying the groundwork for future startups. Building on this momentum, the center organizes various programs annually, with highlights from the academic year 2023-24 outlined below:

1. Orientation-Cum-Awareness Programme on Entrepreneur Development/ Khadi and Village Industries Commission Scheme:

ICIE, Acharya Brojendra Nath Seal College, Cooch Behar, in collaboration with **KVIC** (A Statutory Body Under the Ministry of MSME, GOI), organized an Orientation-Cum-Awareness Programme on Entrepreneur Development / Khadi and Village Industries Commission Scheme on August 23, 2023. The event aimed to encourage students to consider entrepreneurship as a viable career option. Attended by 75 students and 10 faculty members, the programme featured insightful speeches by experts like Mr. Arup Chowdhury and Mr. Sudarsan Rajwar, who discussed entrepreneurship's role in economic growth, overcoming challenges, and leveraging government schemes like PMEGP. The session concluded with a vote of thanks and distribution of informative materials and sweets.

2. Workshop of Content Development:

The ICIE at Acharya Brojendra Nath Seal College organized a One-Day Workshop on “**Content Development**” on **February 24, 2024**, in Vidyasagar Sabhagriha. The workshop, aimed at providing participants with insights into content creation and a structured approach to the field, was inaugurated by the Principal, Dr. Nilay Ray, who emphasized the importance of self-reliance and alternative career paths like content creation. The event featured two keynote speakers: **Mr. Ujjal Barman**, a renowned YouTuber of the channel *Bong Media*, and **Ms. Durga Chatterjee**, known as RJ Durga from Cooch Behar Radio Station. Mr. Barman shared his journey as a content creator, providing practical advice on building a YouTube career, effective content strategies, and editing tools, while also announcing scholarships for 10 deserving students. Ms. Chatterjee reflected on her career as a Radio Jockey, her experiences as an alumna of the college, and methods to overcome stage anxiety. Dr. Debojyoti Dutta, Director of ICIE, concluded the workshop with insights on content development and gratitude to the speakers and participants. The workshop benefited 56 students and 10 faculty members, fostering enthusiasm for innovative career opportunities.

3. NASSCOM Training cum Human Resource Management Programme:

The *NASSCOM Training cum Human Resource Management Programme*, an online training initiative under the pilot studies by the Department of Higher Education, Government of West Bengal, commenced on **February 27, 2024**. Facilitated by the ICIE at Acharya Brojendra Nath Seal College, this web-based, self-assisted learning process empowers participants to independently develop essential skills, eliminating the need for conventional instructors. The ICIE played a pivotal role in promoting and organizing access to this initiative, ensuring students and faculty could benefit from this modernized approach to skill development and human resource management.

10. North Bengal and North Eastern Regional Centre and Museum

Acharya Brojendra Nath Seal College has also its own objective to create socially responsible people with academic excellence by blending traditional values of education with modernity. Under this objective North Bengal and North Eastern Regional Centre and Museum has been inaugurated in the year 2011 to preserve the rich cultural heritage of different parts of North Bengal and Assam, with the financial support from UGC-CPE scheme.

From that time to till date The North Bengal and North Eastern Regional Centre & Museum is devoted to preserve the tangible and intangible heritage of the Cooch Behar as well as of North Bengal and Northeast region of India, and spreading the awareness about the rich cultural heritage of this region through seminar/conference among the students and to generate a sense of belongingness among the students of this region as most of the students of this college come from ethnic background

The centre has done the following activities in recent past:

- Exhibition of the museum for the students frequently.
- Organising Heritage tours, quiz competition almost on a regular basis.
- Observance World Heritage Day and World Museum Day.
- Organising the Add-on course on Cultural Heritage of North Bengal.
- Dissemination of traditional culture of different tribal groups & subgroups through cultural activities.

DEPARTMENTAL PROFILE

DEPARTMENT OF BOTANY

Brief History of the Department

The Department of Botany has started its journey from 1982. Only the General Bioscience was running at that time. In the year 1988 the Honours course was initiated under the University of North Bengal and since then the Department is offering both Honours and General courses. From the very day of inception, this Department takes the pride to prepare the students to pursue their career in higher studies and research activities in and around the different parts of India. Nearly 80 percent of the pass out students have been able to secure permanent employment after passing SSC examination in and around this region. A number of minor/ major research projects are conducted by different faculty members during their stay at the college. The Department regularly organizes student seminar, add-on courses as part of their academic curriculum. The Department also regularly organizes educational tours in adjoining areas and reserve forests surrounding Cooch Behar District and outside the state. The Department boasts of a good seminar library and has already purchased different sophisticated instruments for its students for up gradation of academic activities.

DEPARTMENTAL PROFILE

DEPARTMENT OF PHYSICS

Brief History of the Department

Acharya Brojendra Nath Seal College was established in 1888 with an aim to promote higher education in Eastern and North-Eastern regions of India. Right from its inception, the Intermediate course in Science (I.Sc.) was introduced in the college. Later, the B.Sc. (General Course) was initiated to be taught during 1923-1924. Honours Course in Physics was introduced in the year 1969 and since that time itself the classes for Honours Degree Course were conducted in the famous heritage building of the college. In the same year 1969, the Centenary building came up into being with its inauguration on the occasion of commemoration of birth centenary of Acharya B.N. Seal. Gradually the classes for the Honours Degree Course got shifted to the Centenary Building, which, at present houses the whole of Physics Department including its Laboratories.

This department has a rich history of producing bright and meritorious students who, through their research, academic and educational activities, have glorified its ever-shining history and lifted the stature of the College as well. After completing the undergraduate degree from this department, many of our outgoing students get absorbed to work at different leading and pioneer research and educational institutions in India like TIFR, HRI, BARC, SINP, IITs and JNU etc. A few of them also achieved recognition from renowned institutions abroad where they got absorbed for academic work. Owing to such sustainable success, this department has become a centre of excellence for its potential in the process of imparting Honours Degree Course education in Physics.

DEPARTMENTAL PROFILE

DEPARTMENT OF PHYSIOLOGY

Brief History of the Department

Physiology is a very promising Science subject, especially concerning human beings. It has both theoretical and practical papers. The Department of Physiology of A. B. N. Seal College has been started as a new department in the Academic Session 2013-2014. This department was started in this college with the introduction of B. Sc. 3-year Degree Course in Physiology in Honours stream with an intake capacity of 20 (twenty) students and 5 (five) permanent teaching posts in W.B.E.S. by the approval of Department of Higher Education, Government of West Bengal.

At present, the department is running with five permanent faculties and one casual non-teaching staff. The department established a Health Care Unit in the College which serves primary health care facilities, by which students, teachers, staff of this College, and local people can get the opportunity to measure different physiological parameters. Educational field studies and community health programmes are organized frequently by this department.
